

KI Preschool

Annual Giving Campaign

Donating to the Annual Campaign is the single most important gift you can make to us each academic year. Annual Giving is an opportunity to demonstrate your support and recognition of KI Preschool's values, philosophy, and contribution to young children's lives.

Please invest in our school's success and share in the excitement as we continue to expand the educational gifts we give our students.

Why Give?

Thank you for considering a tax-deductible gift to KI Preschool. The Annual Giving Campaign is our top fundraising priority. Gifts support the preschool's operating budget and help bridge the gap between tuition revenue and the cost of school operations. The Annual Giving Campaign permits the school to offer affordable tuition and to provide our children and families with an amazing educational program.
