Dear Business Owner,

Congregation Kneseth Israel is hosting our annual Gala event on Saturday, November 23, 2013 at 7:30 PM. This evening of dining and music at our synagogue will also feature a silent auction whose funds will benefit the many programs which serve our Congregation and the community.

As members of the volunteer Gala Committee, we hope your business will be part of this community-wide event by donating merchandise, services, or a gift certificate for the auction.

Businesses participating in the Silent Auction will be listed in the evening's program book and select Gala-related publicity.

Congregation Kneseth Israel (CKI), which recently celebrated its 107th anniversary, continues to play an active and proud role in the greater Annapolis community and Anne Arundel County. CKI is a charitable, 501(c) (3) organization, and contributions to CKI are tax-deductible to the fullest extent allowable by law.

Thank you for your sincere consideration, and we look forward to following up with you to discuss your business' contribution to the success of our Gala event.

Your generosity is truly appreciated.

Sincerely,
Michael and Gail Snyder, Gala Co-Chairs
