FALL HOLIDAY SCHEDULE

The fall Holiday Schedule is attached. Please note the times and be sure to join us!

SHARE THE LU-LOVE!

Sukkot is just around the corner! Contact the shul office now to purchase your lulav and etrog set, then come to use them for services on October 10th and 11th, and for the week following. KI is able to offer the arba minim (four species, aka... lulav and etrog) for \$40 per set.

But... pay it forward! If you share the Lu-Love, you can purchase an additional set so that others will be able to fulfill the mitzva for the holiday. Simply tell us that you want to spread the Lu-Love and someone else will benefit from your generosity.

MAZEL TOV!

Mazel Tov to Donna & Alan Berusch on the birth of their new great granddaughter, Lily Belle

KI TAVO

Parsha: Deuteronomy 26:1-29:8
Pages: 859-873

Haftarah: Isaiah 60:1-22
Pages: 874-877

Moses instructs the people of Israel: When you enter the land that G-d is giving to you as your eternal heritage, and you settle it and cultivate it, bring the first-ripened fruits (*bikkurim*) of your orchard to the Holy Temple, and declare your gratitude for all that G-d has done for you.

Our Parshah also includes the laws of the tithes given to the Levites and to the poor, and detailed instructions on how to proclaim the blessings and the curses on Mount Gerizim and Mount Eival—as discussed in the beginning of the Parshah of Re'eh. Moses reminds the people that they are G-d's chosen people, and that they, in turn, have chosen G-d.

The latter part of Ki Tavo consists of the Tochachah ("Rebuke"). After listing the blessings with which G-d will reward the people when they follow the laws of the Torah, Moses gives a long, harsh account of the bad things—illness, famine, poverty and exile—that shall befall them if they abandon G-d's commandments.

Moses concludes by telling the people that only today, forty years after their birth as a people, have they attained "a heart to know, eyes to see and ears to hear."

KIDDUSH

Please join us for Kiddush following Shabbat services.

REFUAH SH'LEIMA (SPEEDY RECOVERY)

Jeffrey Blum, Joyce Ani, Don Sacarob, Joan Sacarob, Kaitie Overton, Betty Goldstein, Lenore Lerner, Glenn Carr, Stephen Earle and Jody Goldsmith

May the Holy One, Blessed is He, be filled with compassion for them, to restore their health, to heal them, to strengthen and revivify them. May He send them a speedy and complete recovery from heaven, a recovery of the body and a recovery of the spirit, swiftly and soon. Amen.

If you know of someone who should be mentioned in our weekly *Mi Sheberach*, please contact either the Rabbi or the office. If you have added a name to the list, please keep us apprised of their progress and let us know when, G-d willing, they can be removed from the list.

BIKUR CHOLIM (Visiting the Sick)

When there are members of the Kneseth Israel community who are ill, injured, or hospitalized, we do not always know about it. If you or someone you know would benefit from a call or visit from Rabbi Sislen, please contact him at the synagogue or at ravsislen@gmail.com.

YAHREIT MINYANIM

For those desiring a minyan to observe a yahrzeit, please call or write the office at least one week in advance at 410-263-3924 x0 or congknesethisrael@gmail.com. Please make some calls yourself to bring in Jewish adults who can count towards the minyan.

YAHREIT NOTICES

If you would prefer getting your yahrzeit notices by email, please call the office to let us know and to make sure we have your email address.

LATEST AND GREATEST ON LIVESTREAMING SERVICES

We will continue to livestream our services via Zoom. Just so you are aware, you need to continue to call/write the office whenever you want to livestream so you can get the link. Sometimes we will have the service monitored with an operator (thank you Steve Sutton and Walt Beckerman) when the camera will be zoomed and panned for a wonderful experience. Sometimes the camera will be set to just focus on the full bima without zooming/panning when there is no operator - audio will be the usual. Again, the set-up is determined by availability of operators. Anyone who wants to learn how to be an operator (can do from home with your own computer), please let the office know. **If you would like the zoom link for services, please call the office. The link will be for the entire year of 2022.**
