YITRO

Exodus 18:1–20:23

Moses' father-in-law, Jethro, hears of the great miracles which G-d performed for the people of Israel, and comes from Midian to the Israelite camp, bringing with him Moses' wife and two sons. Jethro advises Moses to appoint a hierarchy of magistrates and judges to assist him in the task of governing and administering justice to the people.

The children of Israel camp opposite Mount Sinai, where they are told that G-d has chosen them to be His "kingdom of priests" and "holy nation." The people respond by proclaiming, "All that G-d has spoken, we shall do."

On the sixth day of the third month (Sivan), seven weeks after the Exodus, the entire nation of Israel assembles at the foot of Mount Sinai. G-d descends on the mountain amidst thunder, lightning, billows of smoke and the blast of the shofar, and summons Moses to ascend.

G-d proclaims the Ten Commandments, commanding the people of Israel to believe in G-d, not to worship idols or take G-d's name in vain, to keep the Shabbat, honor their parents, not to murder, not to commit adultery, not to steal, and not to bear false witness or covet another's property. The people cry out to Moses that the revelation is too intense for them to bear, begging him to receive the Torah from G-d and convey it to them.

REFUAH SH'LEIMA *(Speedy Recovery)*

Marilyn Halpern

May the Holy One, Blessed is He, be filled with compassion for them, to restore their health, to heal them, to strengthen and revivify them. May He send them a speedy and complete recovery from heaven, a recovery of the body and a recovery of the spirit, swiftly and soon. Amen.

MERGER COMMITTEE UPDATE

The CKI-CKS Joint Merger Committee met on Jan 29. We gave final approval to the request for proposal for architect services. Two architect firms now have this request and we expect proposals this month. We also agreed on a way forward for the accountant services, and we will review a statement of work at our next meeting on Feb 12. We expect the cost of accountant services to be well within the allocations approved by both congregations. Last, we agreed to start postulating a budget for the first few years of the merged congregation when that congregation would have to maintain two buildings and properties.
