## TZAV

*Leviticus 6:1–8:36*

G-d instructs Moses to command Aaron and his sons regarding their duties and rights as kohanim (“priests”) who offer the korbanot (animal and meal offerings) in the Sanctuary.

The fire on the altar must be kept burning at all times. In it are burned the wholly consumed ascending offering; veins of fat from the peace, sin and guilt offerings; and the “handful” separated from the meal offering.

The kohanim eat the meat of the sin and guilt offerings, and the remainder of the meal offering. The peace offering is eaten by the one who brought it, except for specified portions given to the kohen. The holy meat of the offerings must be eaten by ritually pure persons, in their designated holy place and within their specified time.

Aaron and his sons remain within the Sanctuary compound for seven days, during which Moses initiates them into the priesthood.

## THE PASSOVER STORY IN A NUTSHELL

After many decades of slavery to the Egyptian pharaohs, during which time the Israelites were subjected to backbreaking labor and unbearable horrors, G-d saw the people's distress and sent Moses to Pharaoh with a message: "Send forth My people, so that they may serve Me." But despite numerous warnings, Pharaoh refused to heed G-d's command. G-d then sent upon Egypt ten devastating plagues, afflicting them and destroying everything from their livestock to their crops.

At the stroke of midnight of 15 Nissan in the year 2448 from creation (1313 BCE), G-d visited the last of the ten plagues on the Egyptians, killing all their firstborn. While doing so, G-d spared the children of Israel, "passing over" their homes – hence the name of the holiday. Pharaoh's resistance was broken, and he virtually chased his former slaves out of the land. The Israelites left in such a hurry, in fact, that the bread they baked as provisions for the way did not have time to rise. Six hundred thousand adult males, plus many more women and children, left Egypt on that day and began the trek to Mount Sinai and their birth as G-d's chosen people.

In ancient times the Passover observance included the sacrifice of the paschal lamb, which was roasted and eaten at the Seder on the first night of the holiday. This was the case until Temple in Jerusalem was destroyed in the 1st century.

## RUMOR CONTROL

As many of you are aware, we are *discussing* the possibility of a merger with Congregation Kol Shalom. We are in the infancy of these discussions. Please be advised that someone in the community is spreading rumors that our Preschool will not be continuing next year. This couldn't be farther from the truth. **We will be continuing our preschool next year and for the foreseeable future.** I hope that THIS TRUTH will spread fast and wide. I also hope that this will allay any fears that have developed among parents and teachers alike.

Thank you.  
Michael Snyder,  
President
