BEHAR-BECHUKOTAI

Leviticus 25:1-27:34

On the mountain of Sinai, G-d communicates to Moses the laws of the Sabbatical year: every seventh year, all work on the land should cease, and its produce becomes free for the taking for all, man and beast.

Seven Sabbatical cycles are followed by a fiftieth year – the Jubilee year, on which work on the land ceases, all indentured servants are set free, and all ancestral estates in the Holy Land that have been sold revert to their original owners.

Behar also contains additional laws governing the sale of lands, and the prohibitions against fraud and usury.

G-d promises that if the people of Israel will keep His commandments, they will enjoy material prosperity and dwell secure in their homeland. But He also delivers a harsh “rebuke,” warning of the exile, persecution and other evils that will befall them if they abandon their covenant with Him.

Nevertheless, “Even when they are in the land of their enemies, I will not cast them away; nor will I ever abhor them, to destroy them and to break My covenant with them; for I am the L-rd their G-d.”

The Parshah concludes with the rules on how to calculate the values of different types of pledges made to G-d, and the mitzvah of tithing produce and livestock.

REFUAH SH'LEIMA *(Speedy Recovery)*

May the Holy One, Blessed is He, be filled with compassion for them, to restore their health, to heal them, to strengthen and revivify them. May He send them a speedy and complete recovery from heaven, a recovery of the body and a recovery of the spirit, swiftly and soon. Amen.

A PIECE OF OUR HISTORY

An old school desk from the old Shul on Prince George St. down by Gate 1 of the USNA has been donated to us. It was found in the basement of the Chesapeake Bay Foundation when they were moving out of the building. We have it on display outside the synagogue office for your viewing pleasure.

MERGER COMMITTEE UPDATE

The CKI/CKS merger committee met on Monday, April 30th. We discussed some of the environmental issues as well as governmental agencies' requirements that might need to be addressed in the renovation project for each building. We decided to set up meetings with the City and the County to try to ascertain what some of their requirements might be. In so doing, the architectural firm can hopefully incorporate that information into the cost estimates they provide to us. We are planning on having those meetings prior to actually signing a contract with the architectural firm. As of the date of this writing, those meetings are not yet scheduled. We will meet again as soon as we have information from those meetings.
