

# Koren Siddur Order form for Congregation Kneseth Israel

Congregation Kneseth Israel has recently replaced the Birnbaum Siddur with the new, modern Koren Siddur. This popular siddur features a more modern English translation, prayers for the government and armed forces, and more extensive prayers for the holidays. You can memorialize or honor a family member or friend by donating a siddur for our synagogue for only \$36.00. Please complete the order form below.
